

Connected

Thank you for your patience as we transform the way we serve you.

On October 20, WellSpan will begin to introduce a whole new way of connecting with you through an advanced, new electronic health record system.

During this transition, you may experience longer wait times or service delays.

These improvements will:

- Keep you and your providers better connected
- Enable better care coordination across all our locations
- Create an easier care experience

We regret any temporary inconvenience this may cause and are doing everything possible to minimize disruptions. If you have any questions or concerns, please talk to a WellSpan Ambassador or any staff member.
