

# CRL Drug Results – Election Form

**YES, I want to sign-up for 24 hour access to our employees' drug test results.** I understand that this is available on negative non-DOT drug testing only, and that all positive results will continue to be reported to us by WORKFIRST's Medical Review Officer.

Choose your method of notification:

- Web Oasis (log on to secure site with your individual UserName and Password; print results directly off the website)
- Confidential Results Line (call toll-free number, enter your PIN, results FAXed to your secure FAX)
- Automatic Fax (Results can be automatically faxed to a confidential fax number.)

CRL will notify you with your UserName and Password, or PIN, once we have processed your enrollment.
