

2023 Corporate Partnership

Join others in supporting WellSpan Health to benefit and advance the health of our community.

Why We Support WellSpan

“

First Capital Federal Credit Union believes in living our mission of people helping people, and what better way to do that than to support those organizations that support us. First Capital has worked closely with WellSpan and its beneficiaries for decades and in fact, the WellSpan Credit Union merged into First Capital in 2005, cementing our partnership even further. Through the years we've been involved in various ways from financial support, volunteering for events, and sitting on Boards. We are proud of everything WellSpan has done for the community and encourage others to get involved.

*Sue DeStephano
First Capital Federal Credit Union
President/CEO*

“

WellSpan is an unbelievable resource right here in our community. They have a vision for service and are committed to the health of our community. We can't take for granted the care that we have available through WellSpan. We share similar values as WellSpan. We are serving an interest that is bigger than ourselves. So is WellSpan. We believe hydration is vital to good health. WellSpan supports healthy lifestyles.

*JT Hand
The York Water Company*

“

The Stewart Companies are proud to support the efforts of the WellSpan York Health Foundation. With every dollar donated to WellSpan Health being directly invested into the health of our community, they are able to meet the challenges of a rapidly changing healthcare environment.

We believe this commitment to our community requires a commitment from businesses to aid in their endeavors as much as possible.

The Stewart Companies have been a part of the York County business community for more than 85 years. Our employees and families live and work here. We have placed our roots here. And our mission has always been to support the communities in which we do business. As WellSpan Health continues to make a difference for the people of York County, we will continue to generously support and thank them for making York County a healthy and safe place to work, live, and raise our families.

A Look at How Your Gifts Help

WellSpan VNA Home Care

Last year, WellSpan VNA Home Care served 9,441 patients by providing vital home care with expertise and compassion.

For more than 100 years, WellSpan VNA Home Care has understood that the best place to treat the body is where the heart is—at home. Often, when patients are recovering from an illness or accident, are disabled, have a chronic illness or are terminally ill, they do not need to be hospitalized but do need health care assistance.

WellSpan's specialized staff of nurses, aides, therapists, social workers, nutritionist, phlebotomists, and chaplain work with physicians to provide the services necessary to treat patients in the comfort of their own home.

Patient Support Fund

The Patient Support Fund relieves the financial pressures on patients who have needs that can impact their treatment or health outcomes. This fund helps at-risk patients with food, transportation, transitional housing and life-saving medications.

Food Insecurity

- Nearly 3,500 WellSpan patients in York County have been identified as food insecure.
- Your donation of \$50 provides a 3-day supply of meals for a food insecure patient upon discharge from the hospital.

Medication Assistance

- Help an average of 180 patients per month obtain life-saving medication.
- Your donation of \$100 helps two patients afford their medication each month.

Transportation Access

- Your donation of \$25 helps a patient get home from the hospital or to their follow-up appointment.
-

Heart & Vascular Research Fund

Support advances in medical innovation with a gift to the WellSpan Heart & Vascular Research Fund. WellSpan clinicians are identifying the newest and most effective treatment methods for cardiovascular disease through carefully designed and conducted clinical trials.

Forensic Examiner Program

The Forensic Examiner Program at WellSpan York Hospital provides comprehensive, trauma-informed care to individuals impacted by interpersonal trauma. Populations served by this team include sexually-assaulted adults and pediatrics, pediatric physical abuse, elder abuse, domestic violence, and human trafficking. Without intervention, interpersonal trauma may have lifelong after-effects impacting a person's physical and mental health.

In collaboration with our community partners, the forensic nursing specialty brings expertise to our region in the complex care needed for these individuals. Care is provided to minimize the long-term health consequences associated with interpersonal trauma.

Last year, the Forensic Examiner Program provided care to 762 patients.

Cancer Center Wellness Fund

Support the expansion of Supportive Care Services at WellSpan York Cancer Center. This fund will help offer massage therapies, pastoral care, yoga and meditation, holistic treatments, patient navigators, family conversation areas and an Appearance Center & Boutique at the Cancer Center.

Kids First Fund

Support programs and interventions for children at risk with an emphasis on primary care, preventative care, outreach and education.

Kids First Fund has supported projects and programs for Community Health, York Hospital NICU and York Hospital Pediatrics.

Greatest Need

Be part of responding to emerging needs. Giving to this fund enables us to address the areas of greatest need for WellSpan Health in York County.

A Look Back: A Decade of Support

A Special Appeal to our Partners

Over the years, generous organizations like yours have supported a variety of programs by raising funds to further WellSpan's commitment to care for our most vulnerable populations.

We remain determined to ensure that resources and programs are available to those who need them most. Never has the importance of a strong health care system been more evident than now.

We are hopeful that you will collaborate with us to sustain key programs through a special partnership in the coming year.

We hope you will help us make certain that people receive the help they need that WellSpan can provide. Please consider how you will partner with us to forge ahead and keep our community healthy and strong.

**Over
\$6,000,000**
has been
generously given to
the WellSpan York
Health Foundation from
our corporate partners.

Partnership Benefits
