Benefiting the Prescription for Caring Program

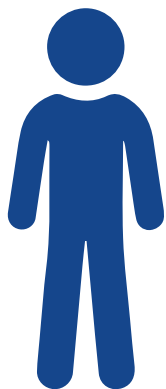

In our community
there are
people
who have to **choose between**

and paying for their **medications.**

Prescription for Caring program

has provided over
\$20,000
in support since its
inception in October 2016.

Helping on average
70 patients
per month.

This year's golf tournament will assist community members struggling to pay medication costs. The Prescription for Caring program helps stop the cycle of ill health that arises due to the gap between the cost of medication and what individuals can afford to pay.

WellSpan Health collaborates with other health providers and community members through the Healthy Community Network to improve healthcare access for uninsured and underinsured individuals. Prescription for Caring is one of the Network's programs. Individuals must meet eligibility requirements based on specific financial criteria.

YOU CAN MAKE A DIFFERENCE TOO!

Yes, I would like to support the Adams County Prescription for Caring program.

Name _____

Address _____

Phone # _____

Email _____

Donation Amount \$ _____

100% of your gift will support the Prescription for Caring program in Adams County. Contributions are tax deductible according to IRS guidelines.

Checks are payable to Gettysburg Hospital Foundation, 455 S. Washington Street, Suite 11, Gettysburg, PA 17325. Credit card donations can be made online at www.wellspan.org/ghf.

Phone: 717-337-4175 Email: dyerkey@wellspan.org

The following sponsors, players, contributors and volunteers have made a commitment to WellSpan Gettysburg Hospital and the Adams County/Northern Maryland communities through their participation in the 33rd Annual WellSpan Gettysburg Hospital Benefit Golf Tournament.

Thank you to our supporters whose generosity will provide financial assistance for qualified uninsured and underinsured individuals to receive essential medications.
