PREAMBLE

WHEREAS, York Hospital is a nonprofit corporation organized under the Laws of the Commonwealth of Pennsylvania; and

WHEREAS, the Hospital's purpose is to serve as a general community Hospital providing patient care, education, community service, and research; and

WHEREAS, federal and state regulations and accreditation standards require the Hospital to have a Medical Staff organized to serve the interests of the Hospital and its patient population; and

WHEREAS, the governance of the Hospital is vested in the Board; and

WHEREAS, it is recognized that the Medical Staff is responsible for the quality of patient care in the Hospital and is both accountable to and subject to the ultimate responsibility and authority of the Board, and that the cooperative efforts of the Medical Staff, the Chief Executive Officer, and the Board are necessary to fulfill the Hospital's obligations to its patients; and

WHEREAS, the Hospital's Board and Administration require a source of collective advice from the professionals practicing at the Hospital in aid of institutional policy formulation and enforcement, planning, coordination of services, and governance;

THEREFORE, the physicians and dentists practicing in the Hospital hereby comprise the Medical Staff in conformity with these Bylaws, Rules and Regulations, and accompanying manuals, and the Articles of Incorporation and Bylaws of the Hospital.
ARTICLE I. NAME

1.1 NAME

The name of the staff shall be "The Medical Staff of York Hospital."

ARTICLE II. PURPOSES AND RESPONSIBILITIES OF THE MEDICAL STAFF

2.1 PURPOSES

The purposes of the Medical Staff are as follows:

2.1.1 To make reasonable efforts to see that the quality of patient care provided under the auspices of the Hospital is maintained at a generally recognized level including oversight of the quality and safety of patient care, treatment and services provided by individual Medical Staff or Allied Health Professional;

2.1.2 To constitute a professional body, providing mutual educational, consultative, and professional support;

2.1.3 To provide a defined structure through these Bylaws, Rules and Regulations, Code of Conduct, and accompanying manuals which defines the responsibility, authority, and accountability of each organizational component and individual Appointee of the Medical Staff;

2.1.4 To provide a mechanism for accountability to the Board regarding delineation of clinical privileges and rights to perform patient care services in the Hospital and regarding the ongoing evaluation of performance of all Medical Staff or Allied Health Professional authorized to practice in the Hospital; and

2.1.5 To provide a means by which Appointees of the Medical Staff can formulate recommendations for the Hospital's policies and plans and through which such policies and plans are communicated to the Medical Staff.

2.2 RESPONSIBILITIES

To accomplish the above purposes, it is the obligation and responsibility of the Medical Staff and of individual or Allied Health Professional:

2.2.1 To participate in the Hospital's Performance Improvement program by:

(a) evaluating Medical Staff or Allied Health Professional and institutional performance;

(b) ongoing monitoring of patient care practices and enforcement of Medical Staff and Hospital policies;

(c) evaluating Medical Staff or Allied Health Professional credentials for initial and continuing Medical Staff appointment and for the delineation of clinical privileges or rights to perform patient care services in the Hospital;

(d) maintaining a continuing education program based in part on needs demonstrated through quality review and evaluation programs; and

(e) maintaining a sound system of utilization review;

(f) actively participating in the patient safety, performance improvement, clinical effectiveness teams, and infection control programs.

2.2.2 To make recommendations to the Board regarding appointments and reappointments to the Medical Staff, including Staff category, Department and Division assignments, and clinical privileges or rights to perform patient care services in the Hospital;
2.2.3 To assist in the Board's planning activities, to assist in identifying community health needs, and to suggest to the Board appropriate institutional policies and programs to meet those needs;

2.2.4 To develop, administer, and recommend amendments to these Bylaws, the Medical Staff Rules and Regulations, and accompanying manuals, and to exercise the authority granted by them;

2.2.5 To assure compliance with these Bylaws, the Medical Staff Rules and Regulations, and accompanying manuals, and all other standards, policies, and rules of the Staff and the Hospital;

2.2.6 To develop, participate in, and monitor Medical Staff educational and training programs; and

2.2.7 To establish, maintain, and enforce sound professional practices, in accordance with national standards and best practices, and to initiate and pursue corrective action when warranted.

2.2.8 Although clinical dieticians are not members of the medical staff, they are authorized to modify patients' diets as set forth in the Medical Staff Rules and Regulations through an exception granted by the PA DOH, as noted in the Rules and Regulations, 3.8.4

ARTICLE III. APPOINTMENT

3.1 GENERAL QUALIFICATIONS

Every Medical Staff or Allied Health Professional who seeks or enjoys appointment, clinical privileges, or rights to perform patient care services in the Hospital must at the time of appointment and continuously thereafter demonstrate the qualifications set forth in the Credentials Policy and Procedure Manual, as well as the following minimum qualifications:

3.1.1 LICENSURE

A valid current license issued by the Commonwealth of Pennsylvania to practice medicine or dentistry or to provide the patient care services applied for.

3.1.2 PERFORMANCE

Professional education, training, experience, ability, competence, and judgment, demonstrating a continuing ability to provide quality and efficient patient services and to contribute to the attainment of the Hospital's institutional objectives.

3.1.3 ATTITUDE/ETHICS

A willingness and capability to:

(a) work with and relate to other Medical Staff Appointees, Allied Health Professionals, Hospital Administration and employees, visitors, and the community, in a cooperative and professional manner, and treat all individuals in the Hospital, including but not limited to all patients, employees, volunteers, Medical Staff Appointees and Allied Health Professionals, with courtesy, respect, and dignity in order to promote the provision of high quality care;

(b) all categories of Medical Staff must abide by the Medical Staff Bylaws, Rules and Regulations, Code of Conduct, and accompanying manuals, and all other standards, policies, and rules of the Staff and the Hospital;

(c) discharge such Hospital, Medical Staff, Department, and committee functions for which they are responsible by appointment, election, or otherwise, and obligations appropriate to their Staff category. Although this excludes Medical Staff and Allied Health Professionals without clinical privileges.
(d) adhere to applicable standards of professional ethics, including prohibitions against fee-splitting, deceiving a patient as to the identity of any Medical Staff or Allied Health Professional providing treatment or services, and delegating the responsibility for diagnosis or care of patients to a Medical Staff or Allied Health Professional not qualified to undertake that responsibility; and

(e) put forth reasonable effort and devote sufficient time toward assuring the continuing development of quality and efficient patient care services in the Hospital, and good teaching programs. Although this excludes Medical Staff and Allied Health Professionals without clinical privileges.

3.1.4 PROFESSIONAL LIABILITY INSURANCE

Provide evidence of current professional liability insurance, in effect, in the minimum amount as required by the Commonwealth of Pennsylvania or amounts as may be required by the Board in consultation with the Medical Executive Committee.

3.1.5 DISABILITY

Freedom from any physical, mental or behavioral impairment which, even with reasonable accommodation, interferes with or substantially limits the Medical Staff or Allied Health Professional's ability to comply with any of the qualifications set forth above.

After determining that Medical Staff or Allied Health Professional is qualified for appointment and privileges, the Credentials Committee may require the applicant to undergo a physical and/or mental examination, including diagnostic testing and testing of blood and/or urine, by a physician or physicians satisfactory to the Credentials Committee if there is any question about the applicant's ability to perform the privileges requested and the responsibilities of appointment. The results of any such examination shall be made available to the Credentials Committee for its consideration. Failure of a Medical Staff or Allied Health Professional to undergo such an examination when requested in writing by the Credentials Committee shall constitute an automatic withdrawal of the application for appointment and clinical privileges by the Medical Staff or Allied Health Professional and all processing of the application shall cease. This process is not required for Medical Staff and Allied Health Processionals without clinical privileges.

3.1.6 CRIMINAL BACKGROUND REPORTS

Has never been convicted or entered a plea of guilty or no contest (including, receiving probation without verdict, disposition in lieu of trial or an Accelerated Rehabilitative Disposition) in the disposition of any felony charge, or in the disposition of any misdemeanor charge related to controlled substances, illegal drugs, insurance or health care fraud or abuse, violence, or moral turpitude unless upon the recommendation of the Credentials Committee, the Board determines that the Medical Staff or Allied Health Professional currently possesses the character and skills necessary to serve as a member of the Medical Staff.

(a) To verify satisfaction of this qualification, a criminal background check will be performed for all applicants to the Medical Staff at the time of application for initial appointment, and may be performed, if deemed to be reasonably necessary, at the time of application for reappointment or during any period of appointment. If a Medical Staff or Allied Health Professional fails to satisfy this qualification or fails to cooperate with the performance of a criminal background check, the Medical Staff or Allied Health Professional may be ineligible for appointment or reappointment to the Medical Staff and may be subject to removal from the Medical Staff.

3.2 NONDISCRIMINATION

No aspect of Medical Staff appointment, assignment to Staff category, delineation of clinical privileges, or delineation of rights to perform patient care services in the Hospital shall be denied on the basis of age, sex, race, creed, color, or national origin.
3.3 BASIC RESPONSIBILITIES OF INDIVIDUAL STAFF APPOINTEES

Each Appointee of the Medical Staff, each Medical Staff exercising temporary privileges under these Bylaws, and each Allied Health Professional performing patient care services in the Hospital shall:

(a) provide their patients with care at a generally recognized professional level of quality and efficiency;

(b) abide by the Medical Staff Bylaws, Rules and Regulations, Code of Conduct, and accompanying manuals, and all other standards, policies, and rules of the Staff and the Hospital;

(c) discharge such Hospital, Medical Staff, Department, and committee functions for which they are responsible, and discharge obligations appropriate to, their Staff category, if any;

(d) prepare and complete, in a timely fashion, the medical and other required records for all patients they admit or in any way provides care to in the Hospital;

(i) History and Physical Examinations: The Attending Physician on admission is responsible for assuring that the History and Physical Examination is complete.

(ii) A complete history shall include; chief complaint, history of present illness, current medications, allergies, past history, social history, family history, and system review.

(iii) A complete physical examination shall include such examinations and tests as the attending physician deems appropriate taking into account the patient's medical condition, age and medical history. The attending Medical Staff appointee's impressions on admission and course of treatment planned also shall be included.

(iv) A legible written or dictated medical history and physical examination must be completed and documented no more than 30 days before or 24 hours after admission or registration, but prior to surgery or a procedure requiring anesthesia services. The medical history and physical examination must be placed in the patient’s medical record within 24 hours after admission or registration, but prior to surgery or a procedure requiring anesthesia. A consultation may also be used, providing it was performed within 30 days of admission and contains all necessary elements. An updated examination of the patient, including any changes in the patient’s condition, is acceptable when the medical history and physical examination are completed within 30 days before admission or registration. Documentation of the updated examination must be placed in the patient’s medical record within 24 hours after admission or registration, but prior to surgery or a procedure requiring anesthesia.

(e) participate in continuing education activities as required by individual Departments; and

(f) abide by applicable standards of professional ethics; and

(g) regularly communicate (verbally, in writing, and electronically) with other members of the medical staff, hospital leadership, patients, and other staff, as needed.

3.4 TERM OF APPOINTMENT

3.4.1 APPOINTMENT

All initial appointments to the Medical Staff (except House Staff), all initial delineations of privileges or rights to perform patient care services in the Hospital, and all grants of increased privileges or increased rights to perform patient care services, will be for a provisional period of not less than six (6) months, nor more than one (1) year, unless extended pursuant to Section 2.2 of the Credentials Policy and Procedure Manual.
3.4.2 REAPPOINTMENT

Reappointments to any category of the Medical Staff will be for a period of up to two (2) years. In the event that Medical Staff or Allied Health Professional’s application for reappointment is not finalized prior to the expiration of their term, the Medical Staff or Allied Health Professional’s appointment and clinical privileges will expire, and they will need to reapply.

3.4.3 PROCEDURES FOR APPOINTMENT AND REAPPOINTMENT

The procedures for appointment and reappointment to the Medical Staff are outlined in Articles I and III of the Credentials Policy and Procedure Manual and are incorporated herein.

3.5 PROFESSIONAL SERVICES PROVIDED PURSUANT TO CONTRACT

The provisions of Article V of the Credentials Policy and Procedure Manual regarding contracts with the Hospital govern access to and the use of certain Hospital equipment, facilities, and personnel by Medical Staff Appointees. If a Medical Staff or Allied Health Professional has a contract with the Hospital, the effect of expiration or termination of that contract on the Medical Staff or Allied Health Professional’s appointment status and clinical privileges is controlled by the Medical Staff or Allied Health Professional’s contract with the Hospital, unless the contract is silent on the matter. If the contract is silent on the matter, then the contract expiration or other termination will not automatically cause the termination of the Medical Staff or Allied Health Professional’s Medical Staff appointment, clinical privileges, or rights to perform patient care services.

(b) attend Hospital or Medical Staff educational programs; and

(c) sit on Medical Staff committees as specified in Article VIII of these Bylaws.

(Appointees to the House Staff are eligible to admit patients to the Hospital to the service of an Appointee of the Medical Staff who is privileged to admit patients to the Hospital.)
4.8.3 RESPONSIBILITIES OF HOUSE STAFF

Appointees to the House Staff must perform such patient care duties and administrative functions as are assigned to them by the Chair of the Department to which they are appointed, or their designee.

4.8.4 HOUSE STAFF GRIEVANCE PROCEDURE

The procedural rights of all Appointees to the House Staff (including all procedural rights) shall be governed by their employment contracts and the House Staff Grievance Procedure and shall not be governed by these Bylaws and accompanying manuals.

4.9 ALLIED HEALTH PROFESSIONALS

4.9.1 GENERAL

(a) Allied Health Professionals shall consist of licensed or certified health Professionals in the Commonwealth of Pennsylvania other than physicians or dentists, who are not Appointees of the Medical Staff but who, by virtue of their training, experience, and demonstrated competence, are eligible to provide certain patient care services in the Hospital.

(b) The types of Allied Health Professionals currently approved by the Board are podiatrist, psychologists, nurse practitioners, physician’s assistants, certified nurse midwives, cardiovascular perfusionists, certified registered nurse anesthetists and registered nurse first assistant.

4.9.2 QUALIFICATIONS FOR ALLIED HEALTH PROFESSIONALS

An Allied Health Professional must be located sufficiently close to the Hospital (office and residence) in order to fulfill his patient care obligations.

4.9.3 PREROGATIVES OF ALLIED HEALTH PROFESSIONALS

An Allied Health Professional may:

(a) perform such patient care services as they are legally authorized to perform and as are granted to them (currently Allied Health Professionals are not eligible to admit patients to the Hospital, except for podiatrists, and certified nurse midwives, both of whom are eligible to co-admit patients.);

(b) sit on Medical Staff committees as specified in Article VIII of these Bylaws;

(c) attend meetings of the Medical Staff and Section to which they are appointed (but may not vote at the Medical Staff meetings); and

(d) attend Hospital or Medical Staff educational programs.

4.9.4 RESPONSIBILITIES OF ALLIED HEALTH PROFESSIONALS

An Allied Health Professional must:

(a) actively participate in recognized functions of the Medical Staff, including Performance Improvement, Patient Safety, Infection Control, and other monitoring activities and discharging such other Staff functions as may be required from time to time;

(b) pay all dues and assessments promptly; and

(c) participate as needed in caring for indigent patients.
4.10 SECTIONS FOR ALLIED HEALTH PROFESSIONALS

Allied Health Professionals shall be organized into sections. The current sections are Podiatry, Psychology, and Nurse Practitioners, Physicians Assistants, Certified Nurse Midwives, Cardiovascular Perfusionists, and Certified Registered Nurse Anesthetists and Registered Nurse First Assistant. The Medical Staff departments listed below will have administrative responsibility for the sections, though members of the Section may be delegated the responsibility to aid in the evaluation of credentials of currently approved Allied Health Professionals, the delineation of the scope of permitted activities and the performance of quality assessment and utilization review.

Podiatry - Department of Surgery
Psychology - Department of Psychiatry
Nurse Practitioner - Department of Attending Physician who provides oversight
Physicians Assistants - Department of Attending Physician who provides oversight
Certified Nurse Midwives - Department of OB/Gyn
Cardiovascular Perfusionists - Department of Surgery
Certified Nurse Anesthetists - Department of Anesthesia
Registered Nurse First Assistant – Department of Surgery

4.11 ADDITIONAL ALLIED HEALTH PROFESSIONALS

The Board may from time to time, after consultation with the Medical Executive Committee, approve additional types of Allied Health Professionals and create appropriate Allied Health Professional Sections.

ARTICLE V. DELINEATION OF CLINICAL PRIVILEGES

5.1 EXERCISE OF PRIVILEGES

A Medical Staff or Allied Health Professional may exercise only those clinical privileges or rights to perform patient care services granted to them by the Board or specified in Section 5.5 of these Bylaws.

5.2 DELINEATION OF PRIVILEGES IN GENERAL

5.2.1 REQUESTS

Each application for appointment or reappointment to the Medical Staff, for clinical privileges, or for rights to perform patient care services in the Hospital must contain a request for specific privileges or rights desired by the applicant. Specific requests also must be submitted for temporary privileges and for modifications of privileges in the interim between reappointments.

5.2.2 BASIS FOR PRIVILEGES DETERMINATIONS

Requests for clinical privileges or rights to perform patient care services in the Hospital will be evaluated on the basis of professional education, training, experience, ability, competence, and judgment; other qualifications set forth in these Bylaws and the Credentials Policy and Procedure Manual; and guidelines developed pursuant to Section 5.8 of these Bylaws. Privileges determinations made with respect to Medical Staff or Allied Health Professionals who have practiced at the Hospital shall be based on, among other things, observed conduct and clinical performance, documented results of the Medical Staff's Performance Improvement program activities, and pertinent information from other sources, including other institutions and health care settings where the Medical Staff or Allied Health Professional’s exercise or have exercised clinical privileges. Privileges determinations made with respect to applicants for appointment to the Medical Staff, for clinical privileges, or for rights to perform patient care services, will be based on pertinent information from other sources, especially other institutions and health care settings where the applicants exercise or have exercised clinical privileges. The information will be added to and maintained in the credentials file established for each Medical Staff or Allied Health Professional.
5.2.3 PROCEDURE

The procedures for processing requests for clinical privileges and rights to perform patient care services in the Hospital are set forth in Articles I and III of the Credentials Policy and Procedure Manual and are incorporated herein. The application to the Medical Staff is initiated by each physician or Allied Health Professional to the Department of Medical Affairs, processed in coordination with internal and external regulatory requirements, coordinated with Clinical Departments, recommended by the appropriate Department Chair, Credentials Committee, Medical Executive Committee, and ultimately the York Hospital Board of Directors.

5.3 SPECIAL CONDITIONS FOR ALLIED HEALTH PROFESSIONALS

Requests from Allied Health Professionals for rights to perform patient care services in the Hospital shall be processed in the manner specified in Article I of the Credentials Policy and Procedure Manual. An Allied Health Professional may, subject to any licensure requirements or other limitations, exercise independent judgment within the areas of their professional competence and participate directly in the medical management of patients under the supervision of a physician or dentist who has been accorded privileges to provide such care. Surgical procedures performed by an Allied Health Professional shall be under the overall supervision of the Chair of the Department of Surgery. An Appointee of the Medical Staff must perform a History and Physical prior to admission for each patient of an Allied Health Professional and must be ultimately responsible for the care of any medical problem that may be present on admission or that may arise during treatment at the Hospital.

5.4 TEMPORARY PRIVILEGES

5.4.1 GRANTING OF TEMPORARY PRIVILEGES

Temporary privileges of no more than one hundred twenty (120) days in length will be granted only in extenuating circumstances and may be granted only in the circumstances described in Section 5.4.2 below. Temporary privileges may be granted only when available information reasonably shows that the requesting Medical Staff or Allied Health Professional has the qualifications to exercise the privileges requested including a valid and unrestricted license to practice in the Commonwealth of Pennsylvania; proof of current, active medical staff privileges at another hospital, satisfactory results from a National Practitioner Data Bank query, a current curriculum vitae, and only after the Medical Staff or Allied Health Professional has satisfied the professional liability insurance requirement set forth in Section 3.1.4 of these Bylaws. Individual requirements of consultation and reporting may be imposed by the Department Chair responsible for supervision. Temporary privileges will not be granted unless the Practitioner has agreed in writing to abide by these Bylaws, the Medical Staff Rules and Regulations, Code of Conduct, and accompanying manuals, and all other standards, policies, and rules of the Staff and the Hospital, in all matters relating to their temporary privileges. Practitioner holding temporary privileges may not serve on Medical Staff Committees or vote on Medical Staff matters.

5.4.2 CIRCUMSTANCES

Upon written concurrence of the Chair of the Department where the privileges will be exercised, the Chair of the Credentials Committee, and the President of the Medical Staff, the Chief Executive Officer or designee may grant temporary privileges or rights to perform patient care services in the following circumstances:

(a) **Pendency of Application:** After receipt of an application for appointment to the Medical Staff, for clinical privileges, or for rights to perform patient care services in the Hospital, which application includes a request for specific temporary privileges and does not raise any concern regarding competency or qualifications, for an initial period of ninety (90) days, with subsequent renewals not to exceed an additional thirty (30) days. (The Hospital will not routinely grant temporary privileges to Medical Staff or Allied Health Professionals during the pendency of their applications; it the responsibility of each Medical Staff or Allied Health Professional to fill their application sufficiently in advance of their contemplated practice at the Hospital so that the application can be fully processed by that time.);
(b) **Care of Specific Patients:** Upon receipt of a request, either written or via telephone, for specific temporary privileges to fulfill an important patient care, treatment, or service need for one or more specific patients from a physician, dentist, or Allied Health Professional who is not an applicant for appointment to the Medical Staff;

(c) **Locum Tenens:** Upon receipt of a written request for specific temporary privileges from a physician or dentist who is serving as a locum tenen for an Appointee of the Medical Staff but is not applying for appointment to the Staff, for a period not to exceed one hundred twenty (120) consecutive days. (Locum tenens privileges are limited to treatment of the patients of the Staff Appointee for whom the applying physician or dentist is serving as locum tenens and do not entitle them to admit their own patients to the Hospital); and

(d) **Visiting Staff for Educational Purposes:** Upon receipt of a written request for specific temporary privileges for a practitioner who desires to teach a specific procedure(s) to hospital medical staff members or house staff, or who desire to learn specific procedure(s) from specific, identified hospital medical staff members.

(i) In exercising temporary privileges for educational purposes, the visiting physician, dentist or advance practice clinician shall be under the direct supervision of the Vice President of Medical Affairs, the Department Chair or their designee.

(ii) In exercising temporary privileges for educational purposes, the visiting practitioner shall not independently admit or treat hospital patients.

(e) **Moonlighting Privileges for Residents and Fellows:**

(i) Residents and fellows may render professional medical services in certain hospital departments subject to policies approved by the department involved, the Staff and the Hospital. All residents and fellows approved for such "moonlighting" shall be credentialled according to the procedures set forth in the applicable policies.

(ii) Any department wishing to utilize a resident or fellow on a moonlighting basis must establish a policy covering the use of the resident and recommend the training and experience required for granting privileges. Such policy and credentials recommendations must be approved by the Medical Staff and Hospital.

5.4.3 **REVOCATION**

The Vice President of Medical Affairs, after consultation with the President of the Medical Staff and the appropriate Department Chair: must, on the discovery of any information which raises questions about a Medical Staff or Allied Health Professional’s qualifications or ability to exercise any or all of the temporary privileges granted, and may, at any other time, revoke any or all of a Medical Staff or Allied Health Professional’s temporary privileges. Where determined to be imminent danger to the health of any individual, the revocation may be affected by any person entitled to impose Precautionary Suspension under Section 1.2.1 of the Corrective Action Procedures and Fair Hearing Plan. In the event of any revocation of temporary privileges, the Practitioner's patients then in the Hospital will be assigned to another Medical Staff or Allied Health Professional by the appropriate Department Chair or their designee. If the Medical Staff or Allied Health Professional is a member of a group practice, their patients will be assigned to another member of their group if possible. The wishes of the patient shall be considered, where feasible, in choosing a substitute Medical Staff or Allied Health Professional.

5.4.4 **RIGHTS OF PRACTITIONERS WITH TEMPORARY PRIVILEGES**

A Medical Staff or Allied Health Professional is not entitled to the procedural rights afforded by these Bylaws and accompanying manuals including, but not limited to a fair hearing, in the event their request for temporary privileges is refused or all or any part of their temporary privileges are revoked or suspended.
5.5 EMERGENCY PRIVILEGES

In case of an emergency which could result in serious harm to a patient, or in which the life of a patient is in immediate danger, any Medical Staff Appointee or Allied Health Professional who has the right to perform patient care services in the Hospital is authorized to do everything possible to save the patient's life or to save the patient from serious harm, to the degree permitted by the Medical Staff or Allied Health Professional license, but regardless of Department or Division affiliation, category, or level of privileges. A Medical Staff or Allied Health Professional exercising emergency privileges is obligated to summon all consultative assistance considered necessary and to arrange appropriate follow-up care.

5.6 DISASTER PRIVILEGES

A disaster is defined as a natural or manmade event that significantly disrupts the environment of care, significantly disrupts care, treatment, and services. Disaster is further defined as a natural disaster, national emergency, bioterrorism, act of war, or other similar mass emergency. Following activation of the Hospital emergency management plan, the President of the Medical Staff, the Chief Executive Officer, or their designees, may grant disaster privileges to a Medical Staff or Allied Health Professional whose skills and services are necessary to treat Hospital patients utilizing the process identified in the Credentials Policy 1.6.4.

5.7 EXPEDITED MEDICAL STAFF PRIVILEGES

The determination that an applicant is not eligible for expedited review should not be viewed as an indication that the applicant is unqualified and shall not be deemed an "adverse event" as defined in Article IX of the Medical Staff Bylaws. In general, expedited review is only for those applicants who, upon a thorough review of their application file and a personal interview, have clearly demonstrated their qualifications for Medical Staff appointment, category of Staff appointment, Department and Division affiliation, and clinical privileges or rights to perform patient care services, as requested, without any unresolved questions or issues.

The process of Approval and Non-approval is in accordance with the 1.6 Expedited Review Process granted through the Credentials Policy.

5.8 PROVISIONAL PERIOD

5.8.1 DURATION

The duration of the provisional period is set forth in Section 3.4.1 of these Bylaws and is incorporated herein.

5.8.2 EFFECT ON EXERCISE OF PRIVILEGES

During the provisional period, a Medical Staff or Allied Health Professional may exercise all of the prerogatives and must fulfill all of the obligations of their category, and they may exercise the clinical privileges granted to them and perform the patient care services that they have been authorized to perform.

5.8.3 PURPOSE

During the provisional period, Medical Staff or Allied Health Professional's performance will be specifically observed, evaluated, and documented in writing by the Chair of the Department (or their designee) with which the Medical Staff or Allied Health Professional has their primary affiliation, and by the Chair of the Department (or their designee) of each other Department in which the Practitioner exercises their initial or increased privileges or rights. It is the Medical Staff or Allied Health Professional's responsibility to assure that they make sufficient use of the Hospital to enable the appropriate Department Chair (or their designee(s)) to make a recommendation as to whether the provisional period should be concluded.
5.8.4 PROCEDURE FOR CONCLUDING OR EXTENDING THE PROVISIONAL PERIOD

The mechanism for concluding and extending the provisional period is outlined in Article II of the Credentials Policy and Procedure Manual and is incorporated herein.

5.9 DEPARTMENTAL DELINEATION OF PRIVILEGES GUIDELINES

There may be attached to any granting of clinical privileges or rights to perform patient care services in the Hospital, individual requirements for consultation as a condition to the exercise of particular privileges or rights.

5.9.1 INITIAL GUIDELINES

Each Department shall establish guidelines for the granting of clinical privileges or rights to perform patient care services in the Department or Section and privileges or rights delineation forms for use in the credentialing process. These guidelines and forms shall become effective only after approval by the Medical Executive Committee and the Board.

5.9.2 CHANGES IN GUIDELINES

Each Department shall, at least on an annual basis, review and, if warranted, recommend changes in the guidelines for the granting of clinical privileges or rights to perform patient care services in the Department or Section and the privileges or rights delineation forms developed pursuant to Section 5.9.1 above. Any changes in the guidelines or forms shall become effective only after approval by the Medical Executive Committee and the Board.

ARTICLE VI. OFFICERS

6.1 OFFICERS OF THE MEDICAL STAFF

6.1.1 IDENTIFICATION

The officers of the Medical Staff shall be

(a) President; and

(b) Vice President.

6.1.2 OTHER OFFICIALS OF THE MEDICAL STAFF

Other officials of the Medical Staff include Department Chair, Division Chiefs, and such other officials as may be selected pursuant to these Bylaws. To the extent that any such official performs any clinical function, they must become and remain an Appointee of the Medical Staff. In all events, they are subject to these Bylaws, the Medical Staff Rules and Regulations, Code of Conduct, and accompanying manuals, and all other applicable standards, policies, and rules of the Staff and the Hospital.
6.1.3 MEDICAL STAFF APPOINTEES TO THE BOARD

The Medical Staff shall nominate two (2) of its Appointees of the active or executive category to serve as Directors of the York Hospital Board of Directors. The terms of such Appointees shall be staggered, so that, to the extent feasible, the term of a new Appointee shall begin every other year on the annual meeting of the members of York Hospital Board of Directors. Each of such Appointees of the Medical Staff shall serve as a director of the Board for a term of three (3) years and thereafter until a successor is elected and qualified. Upon completion of any such Director's term, their resignation, or removal from the Board or the Medical Staff, or their death or other incapacity the successor shall be President of the Medical Staff until a replacement has been nominated and selected by the Medical Staff either to serve for a new three-year term or to complete the unexpired term of such Director, as the case may be. The participation of the Medical Staff appointees on the Board will be evaluated via report card that is utilized for assessment of the other Board members.

6.1.4 MEDICAL STAFF APPOINTEES TO THE BOARD

The Medical Staff shall nominate three (3) of its Appointees as voting members, along with the participation by the two non-voting Medical Staff officers (President and Vice President), of the active category to serve as Directors of the York Hospital Board of Directors. The term of a new Appointee shall begin annually as predicated by the policy of the York Hospital Board of Directors. Final approval of the York Hospital Medical Staff Board nominees will follow the same approval processes, terms of services, and governance timeline for all York Hospital Board members, as defined and stipulated by the By-Laws of York Hospital and the Wellspan Health Boards. The participation of the Medical Staff appointees on the Board will be evaluated annually via report card that is utilized for assessment of the other board members.

Once the WYH board vote takes place, the Medical Staff recommendations shall be forwarded to the WSH Board for final approval, according to their process and timeline. The participation of the Medical Staff appointees on the Board will be evaluated annually via report card that is utilized for assessment of the other board members.

6.1.5 QUALIFICATIONS

Officers of the Medical Staff must be Appointees of the active or executive category at the time of nomination and election and must remain Appointees of the active or executive category in good standing during their term of office. Failure to maintain such status shall immediately create a vacancy in the office involved. No salaried Department Chair may be elected as an officer of the Medical Staff or a Medical Staff Appointee to the York Hospital Board of Directors.

6.1.6 NOMINATIONS BY NOMINATING COMMITTEE

(a) Nominating Committee: The Medical Staff Nominating Committee shall consist of:

(i) The two (2) most immediate Past-Presidents of the Medical Staff willing and able to serve; and

(ii) Three (3) Medical Staff Appointees of the active or executive category nominated by the Staff. These three (3) Staff Appointees shall be selected to accommodate the need to fill the elected positions of the Medical Staff. The term of these appointees shall be 2 years. These appointees shall be nominated through a process open to the entire medical staff, either from the floor of the medical staff meeting or by electronic communication, and subsequently approved by the MEC.

(iii) The Chair shall be chosen by the members of the Nominating Committee.
(b) Nominations: The Nominating Committee shall convene and shall submit to the President of the Staff one (1) or more qualified nominees for the positions of Vice President (when necessary), Medical Staff Appointee to the York Hospital Board of Directors (when necessary), and the representative. As soon thereafter as is reasonably practical, but in any event at least 30 days before the date specified for the election, the names of such nominees shall be reported to the Staff by electronic communication, the names of such nominees shall be reported to the Staff by electronic communication.

### 6.1.6 NOMINATIONS BY PETITION

Nominations also may be made by petition signed by at least twenty percent (20%) of the Appointees of the active or executive category and submitted to the President of the Medical Staff at least fifteen (15) days before the date specified for the election. As soon thereafter as is reasonably practical, but in any event before the annual meeting of the Staff, or the deadline date of an electronic vote, the names of these additional nominees shall be report to the Staff.

### 6.1.7 NOMINATIONS BY OTHER MEANS

If, before the election, any of the individuals nominated for an office pursuant to Section 6.1.5 or 6.1.6 above shall refuse, be disqualified from, or otherwise be unable to accept the nomination, then the Nominating Committee shall submit one (1) or more substitute nominees via electronic communication to the medical staff prior to the date of the election.

### 6.1.8 SELECTION

Officers shall be elected via electronic vote of the Medical Staff. Only Appointees of the active or executive category shall be eligible to vote. Voting shall be by electronic ballot, and voting by proxy shall not be permitted. A nominee shall be elected upon receiving over fifty percent (50%) of the valid votes cast. If no candidate for the office receives a majority vote on the first ballot, a runoff election shall be held via electronic ballot between the two (2) candidates receiving the highest number of votes. If there is a single nominee for an office, the nominee may be elected.

Officers and nominated Board appointees, shall be elected via electronic vote of the Medical Staff. Only Appointees of the active or executive category shall be eligible to vote. Voting shall be by electronic ballot and voting by proxy shall not be permitted. A nominee shall be elected upon receiving over fifty percent (50%) of the valid votes cast. If no candidate for the office receives a majority vote on the first ballot, a runoff election shall be held via electronic ballot for selection of board members between N +1 nominees (N = number of positions being voted upon). If there is a single nominee for an office, the nominee may be elected.

### 6.1.9 AUTOMATIC SUCCESSION

The Vice President shall, upon the completion of their term of office in that position, immediately succeed to the office of President.

### 6.1.10 TERM OF ELECTED OFFICE

Each elected officer shall serve a two (2) year term, commencing on the first day following their election. Each officer shall serve until the end of their term and thereafter until a successor is elected, unless they shall sooner resign or be removed from office.

### 6.1.11 REMOVAL OF ELECTED OFFICERS

Except as otherwise provided, removal of an elected officer of the Medical Staff may be initiated by two-thirds vote of the Appointees of the active or executive category. Removal may be based only upon failure to have the qualifications for or to perform the duties of the position held as described in these Bylaws.
6.1.12 VACANCIES IN ELECTED OFFICE

If there is a vacancy in the office of President, the Vice President shall serve out the remaining term. They may assume their own two (2) year term as President; provided, however, that their cumulative term as President shall not exceed three (3) consecutive years. If there is a vacancy in the position of Vice President, the vacancy will be filled by a special election at the next quarterly meeting of the Medical Staff that is reasonably practical, from among nominees submitted by the existing Nominating Committee.

6.1.13 COMPENSATION OF ELECTED OFFICERS

The President and Vice President may be paid an annual stipend as compensation for their service as Medical Staff officers. The amount and funding sources for such compensation shall be determined from time to time by the Medical Executive Committee, in conjunction with the Vice President of Medical Affairs.

6.2 DUTIES OF OFFICERS

6.2.1 PRESIDENT

As the principal elected officer of the Medical Staff, the President shall:

(a) aid in coordinating the activities and concerns of the Hospital Administration and of the nursing and other patient care services with those of the Medical Staff;

(b) communicate and represent the opinions, policies, concerns, needs, and grievances of the Medical Staff to the Board, the Chief Executive officer, the Vice President of Medical Affairs, the Hospital Administration, and other officials of the Staff;

(c) be responsible, in conjunction with the Vice President of Medical Affairs, for the enforcement of the Medical Staff Bylaws, Rules and Regulations, Code of Conduct, and accompanying manuals; for implementation of sanctions where indicated; and for the Medical Staff’s compliance with procedural safeguards where corrective action has been requested against a Practitioner;

(d) call, preside at, and be responsible for the agenda of all meetings of the Medical Staff;

(e) serve as Chair of the Medical Executive Committee, and as an ex officio member on all other Medical Staff committees; and

(f) perform such additional duties as may be assigned to them by the Medical Executive Committee or the Board.

6.2.2 VICE PRESIDENT

The Vice President shall:

(a) be responsible for coordinating an annual review of the Medical Staff Bylaws, Rules and Regulations, Code of Conduct, and accompanying manuals, and reporting the results of that review to the Medical Executive Committee;

(b) supervise the preparation of the annual budget of the Medical Staff;

(c) serve as a member of the Medical Executive Committee;

(d) in the absence of the President, or if it is otherwise necessary, assume all the duties and have the authority of the President; and

(e) perform such additional duties as may be assigned to them by the President, the Medical Executive Committee, or the Board.
6.3 VICE PRESIDENT OF MEDICAL AFFAIRS

6.3.1 DUTIES

The Vice President of Medical Affairs (who is an officer of the Hospital) shall be a Physician, appointed by the Board, in consultation with the Medical Executive Committee and representatives of the Medical Staff selected by the Board. The Vice President of Medical Affairs shall serve as a liaison between the Medical Staff and the Hospital and has overall responsibility for medical education and the quality of medical care at the Hospital, all Medical Staff administrative functions, and Medical Staff development.

6.3.2 MEDICAL STAFF SECRETARY-TREASURER FUNCTIONS

In addition to the other duties described in these Bylaws, the Vice President of Medical Affairs or their designee shall:

(a) give proper notice of all Medical Staff meetings;

(b) distribute minutes of all Medical Staff meetings;

(c) supervise the collection of and accounting for any funds that may be collected as Medical Staff dues, assessments, or other fees.

6.4 DIRECTOR OF MEDICAL EDUCATION

The Director of Medical Education shall be a Physician, appointed by the Chief Executive Officer, upon recommendation of the Vice President of Medical Affairs in consultation with the Medical Executive Committee. The Director of Medical Education shall administer and coordinate the pre- and post-graduate medical educational programs of the Hospital.

ARTICLE VII. STAFF CLINICAL DEPARTMENTS

7.1 ORGANIZATION OF DEPARTMENTS

7.1.1 GENERAL

Each appointee of the Medical Staff shall be assigned to at least one primary Department, (and, as relevant, at least one primary Division within that Department), but may (upon request) be assigned to and granted clinical privileges in one or more secondary Departments and/or Divisions. The Medical Executive Committee shall, after consideration of the recommendations of the Chairpersons of the appropriate Department(s) and the Credentials Committee, recommend the primary Department and Division (and, if requested by the appointee, the secondary Departments and/or Divisions) membership assignment for all appointees in accordance with their qualifications.

Appointees who are assigned to secondary Departments and/or Divisions may actively participate in the affairs of the secondary Departments and/or Divisions, and shall be permitted to vote, but not hold elected office (in more than one department) or serve as a Department representative in the secondary Departments. In the event of any conflicts or concerns, the Rules and Regulations from the primary Department and Division take precedence.

7.1.2 CURRENT DEPARTMENTS AND DIVISIONS

The Medical Staff shall be organized into Departments and Divisions as are approved by the York Hospital (YH) Board of Directors, upon recommendation by the Medical Executive Committee. The current listing of the YH Medical Staff Departments and Divisions will be maintained and can be found on the YH Medical Affairs portal.
7.2 ASSIGNMENT TO DEPARTMENTS

Appointees may be granted clinical privileges in one or more of the other Departments. The exercise of clinical privileges within any Department shall be subject to the Rules and Regulations of that Department and the authority of the Department Chair.

7.3 FUNCTIONS OF DEPARTMENTS

The primary responsibility delegated to each Department is to implement and conduct review and evaluation activities that contribute to the preservation and improvement of the quality, safety, and efficiency of patient care provided in that Department. To carry out this responsibility, each Department shall:

(a) conduct Performance Improvement, Patient Safety, Infection Control, and appropriateness of care activities for the purpose of evaluating clinical work performed under its jurisdiction;

(b) establish guidelines for the granting of clinical privileges and rights to perform patient care services and privileges within the Department and privileges and rights delineation forms for use in the credentialing process, and establish procedures for the submission of the recommendations required, under these Bylaws and the Credentials Policy and Procedure Manual, regarding the clinical privileges each Appointee or applicant may exercise; provided, however, that any Appointee or applicant may, by the filing of a written request with the Department Chair and/or the Vice President of Medical Affairs, request that the appropriate Department, Medical Executive Committee and/or Hospital Board conduct a review of any guidelines which are adopted for the granting of clinical privileges and rights to perform patient care services and privileges within the Department;

(c) conduct or participate in, and make recommendations regarding the need for, continuing education programs pertinent to changes in the state-of-the-art and to findings of review, evaluation, and monitoring activities;

(d) monitor, on a continuing and concurrent basis, adherence to:
   (i) Medical Staff and Hospital policies and procedures;
   (ii) Requirements for alternate coverage and for consultations; and
   (iii) Sound principles of clinical practice;

(e) coordinate the patient care provided by Department Appointees with nursing and ancillary patient care services and with administrative support services;

(f) submit written reports to the Medical Executive Committee on a regularly scheduled basis concerning:
   (i) Findings of the Department's review, evaluation, and monitoring activities, actions taken thereon, and the results of such actions;
   (ii) Recommendations, if warranted, for maintaining and improving the quality of care provided in the Department and the Hospital; and
   (iii) Such other matters as may be required from time to time by the Medical Executive Committee;

(g) meet at least quarterly each year for the purpose of receiving, reviewing, and considering patient care review findings and the results of the Department's other review, evaluation, and monitoring activities and of performing or receiving reports on other Department or Staff functions; and

(h) establish such committees or other mechanisms as are necessary and desirable to perform properly the functions assigned to it.
7.4 DEPARTMENTAL RULES AND REGULATIONS

Each Department shall develop Departmental Rules and Regulations as necessary for the conduct of its affairs and discharge of its responsibilities and such Rules and Regulations shall be included in "Rules of the Staff" as that term is used throughout these Bylaws and accompanying manuals. Departmental Rules and Regulations shall not be inconsistent with these Bylaws, the Medical Staff Rules and Regulations, and accompanying manuals, and all other standards, policies, and Rules of the Staff and the Hospital. The initial Departmental Rules and Regulations, and all amendments thereto, shall be subject to Medical Executive Committee and Board approval. Copies of all Departmental Rules and Regulations, and all amendments thereto, shall be promptly submitted to the Vice President of Medical Affairs for filing.

7.5 DEPARTMENT CHAIR, VICE CHAIR, AND DIVISION CHIEFS

7.5.1 QUALIFICATIONS

With the exception of the Department of Dentistry, each Department Chair, Vice Chair, and Division Chief shall be an Appointee of the active or executive category, shall be board certified in the specialty of that Department or Division (except in areas for which no board exists), and shall be willing and able to discharge faithfully the functions of their office.

7.5.2 SELECTION AND APPOINTMENT

(a) Board of Directors: Only the Board shall have the authority to appoint or remove all Department Chair, Vice Chair, and Division Chiefs.

(b) Voluntary Department Chair

Annually, each Department will nominate a candidate for Department Chair by two-thirds of the Department's Appointees present at the meeting and eligible to vote on departmental affairs in the Department involved voting in favor of nomination. The results shall be reported by the present Department Chair to the Vice President of Medical Affairs who will present the recommendation to the Board for its final action.

(c) Salaried Department Chair

The Board may not initiate the process for appointing a salaried Department Chair in a Department with a Voluntary Department Chair without first consulting with the Department involved and obtaining the approval of the Medical Executive Committee.

(i) New appointments: The President of the Medical Staff and the Vice President of Medical Affairs will jointly name an Ad Hoc Selection Committee of three (3) Appointees of the active category to make a recommendation to the Board as to the selection of a salaried Department Chair. One of the members of the Ad Hoc Selection Committee will be a member of the Department seeking the Department Chair. The Chair of the Ad Hoc Selection Committee will not be a member of the Department involved. The Vice President of Medical Affairs will seek and will recommend candidate(s) to the Ad Hoc Selection Committee. Members of the Department will interview the nominee(s) and will submit their recommendations to the Departmental Representative within one-week post interview via written or electronic. The Departmental Representative will present the feedback for due consideration to the Ad-Hoc Selection Committee. The Ad-Hoc Selection Committee will recommend a candidate to the Vice President of Medical Affairs who will present the recommendation to the Board for its final action. Pending appointment of a salaried Department Chair, the Board, in consultation with the Vice President of Medical Affairs and the Department involved, may appoint a temporary Department Chair.

(ii) Annual Review: The Vice President of Medical Affairs will annually survey the members of each Department about the operations of the Department and the performance of the salaried Department Chair. The survey shall be in written form and shall be confidential. The aggregate results of the survey will be shared with the Department Chair as part of their annual evaluation.
(d) **Vice Chair**

The Department Chair, after consultation with the members of the Department, will annually nominate a candidate for the position of Vice Chair. The candidate's name will be presented to the Vice President of Medical Affairs who will present the recommendation to the Board for its final action.

(e) **Division Chiefs**

The Department Chair, with approval of a majority of the members of the Division, will annually nominate a candidate for the position of Division Chief. The candidate's name will be presented to the Vice President of Medical Affairs who will present the recommendation to the Board for its final action.

7.5.3 **TERM OF OFFICE**

(a) Voluntary Department Chair, Vice Chair, and Division Chiefs shall be appointed on an annual basis.

(b) Salaried Department Chair will serve an initial three-year term and be automatically renewed upon recommendation by the Vice President of Medical Affairs and appointment by the York Hospital Board of Directors for additional terms of three years each.

7.5.4 **REMOVAL FROM OFFICE**

The Board may remove a Department Chair, Vice Chair or Division Chief from office during their term, either by its own initiative after consultation with the Medical Executive Committee, or upon the recommendation of a Department based upon two-thirds of the Department members eligible to vote upon departmental matters in the Department involved voting in favor of removal. The vote may be conducted by mail ballot. Removal may be based only upon a failure to have the qualifications for or to perform the duties of the position held as described in these Bylaws.

7.5.5 **DUTIES OF DEPARTMENT CHAIR**

Each Department Chair shall:

(a) be accountable to the Medical Executive Committee, the Director of Quality Management, the Chief Executive Officer, the Vice President of Medical Affairs, and the Board for professional and administrative activities within their Department, for the quality and safety of patient care rendered by Appointees of the Department, and for the clinically related activities of the Department including effective conduct of the patient care audit and other quality review, quality control, evaluation, and monitoring functions delegated to their Department; and further be accountable for the administratively related activities of the Department unless otherwise provided by the Hospital;

(b) develop and implement departmental programs in cooperation with the Vice President of Medical Affairs for on-going monitoring of practice, credentials review and privileges delineation, medical education, and utilization review and the ongoing assessment and improvement of quality of care, treatment and services;

(c) maintain continuing review and surveillance of the professional performance of all Medical Staff and Allied Health Professionals in the Department who have delineated clinical privileges, and report regularly thereon to the Vice President of Medical Affairs and to the Medical Executive Committee;

(d) transmit to the appropriate authorities, as required by these Bylaws and the Credentials Policy and Procedure Manual, their recommendations concerning appointment and classification, reappointment, delineation of clinical privileges, and corrective action with respect to Medical Staff and Allied Health Professionals in their Department;
(e) appoint such committees as are necessary to conduct the functions of the Department as specified in this Article and designate a chair of each such committee;

(f) enforce the Medical Staff Bylaws, Rules and Regulations, Code of Conduct, and accompanying manuals, and all other standards, policies, and rules of the Staff and the Hospital, within their Department, including initiating investigations and initiating and pursuing corrective action and ordering consultations to be provided or to be sought, when warranted;

(g) implement within their Department actions taken by the Medical Executive Committee and by the Board;

(h) participate in every phase of administration of their Department through cooperation with the nursing service and the Hospital Administration in matters affecting patient care including coordination and appropriate integration of interdepartmental and intradepartmental services;

(i) assist in the preparation of such annual reports, including budgetary planning, pertaining to their Department as may be required by the Medical Executive Committee, the Vice President of Medical Affairs, or the Board;

(j) recommend to the Staff the criteria for clinical privileges that are relevant to the care provided in the Department;

(k) assess and recommend to the appropriate Hospital authority off-site sources for needed patient care, treatment, and services not provided by the Department or Hospital;

(l) develop and implement policies and procedures that guide and support the provision of care, treatment, and services;

(m) recommend sufficient numbers of qualified and competent persons to provide care, treatment, and service;

(n) provide orientation and monitor continuing education of all persons in the Department;

(o) recommend for space or other resources needed to provide quality patient care services in the Department; and

(p) perform such other duties commensurate with their office as may from time to time be reasonably requested of them by the Vice President of Medical Affairs, the Medical Executive Committee, or the Board.

7.5.6 DUTIES OF DIVISION CHIEFS

Each Division Chief shall be responsible to the Chair of the Department and shall assist the Chair, when requested, in education, Performance Improvement, credentialing, and other matters as they pertain to the Division of which they are Chief.

ARTICLE VIII. COMMITTEES AND FUNCTIONS

8.1 GENERAL

8.1.1 CATEGORIES

Medical Staff Committees shall be Standing, Special, or Ad Hoc. System Committees and Administrative Committees are not Medical Staff Committees, but members of the Active, Affiliate, Executive, and Allied Health Professionals may be requested to serve as members, chair, and actively participate.
8.1.2 COMPOSITION AND APPOINTMENT

(a) **Standing and Special Committees**: Standing and Special Committees shall be composed of at least three (3) Appointees of the active or executive category and may include Appointees of other categories; Allied Health Professionals; members of the House Staff; and representatives from Hospital Administration, nursing services, medical records, pharmaceutical services, social services, and such other Departments as are appropriate. Unless otherwise specifically provided in these Bylaws, the President of the Medical Staff will appoint a committee chair and oversee the appointment of the individual committee members by the committee chair. The Chief Executive Officer, or their designee, shall appoint an administrative representative to serve ex officio on each Standing and Special Committee of the Medical Staff. The President of the Medical Staff and the Chief Executive officer, or their designees, shall serve as ex officio members on all Medical Staff committees. Voting on committees is extended to all committee members unless otherwise provided in these Bylaws.

(b) **Ad Hoc Committees**: Ad Hoc Committees may be appointed by the President of the Medical Staff as the occasion arises.

(c) **System/Administrative and Other Committees**: The active, executive, and affiliate Members of the York Hospital Medical Staff and Allied Health Professionals may be requested to serve as members or participate in System and Administrative committees (regardless of the names of such committees) that perform one or more of the following functions: Pharmacy and Therapeutics; Infection Control; Blood Usage Review; Procedure and Pathology Review; Utilization Review; Bioethics; Cancer; Institutional Review; Clinical Effectiveness Teams, and Perioperative. Although these committees are not Medical Staff Committees, they shall report their activities to the York Hospital Quality and Safety Council, Medical Executive Committee, Medical Staff Departments and other appropriate entities, as needed. If appropriate, one or more relevant Departments of the Medical Staff may be requested and delegated with the responsibility to perform any of these functions.

8.1.3 COMMITTEE CHAIR

Only Appointees of the active or executive category shall be eligible to serve as committee chair.

All committee chair who act on behalf of the Hospital in professional activities pursuant to the Bylaws are indemnified to the fullest extent permitted by law, as long as they have been approved or appointed by the Board.

8.1.4 TERM AND PRIOR REMOVAL

Unless otherwise provided, a Medical Staff committee member (other than one serving ex officio) shall continue as such for one (1) year or thereafter until their successor is elected or appointed, unless he shall sooner resign or be removed from the committee. A Medical Staff committee member, other than one serving ex officio, may be removed by a majority vote of the Medical Executive Committee.

8.1.5 VACANCIES

Unless otherwise specifically provided, vacancies on any Medical Staff committee shall be filled at the discretion of the committee chair.

8.1.6 MEETINGS

A Medical Staff committee established to perform one or more of the Staff functions required by these Bylaws shall meet as often as is necessary to discharge its assigned duties.
8.2 MEDICAL EXECUTIVE COMMITTEE

(g) imposition of Precautionary Suspension for a period of no longer than fourteen (14) days while an investigation is pending.

ARTICLE X. MEETINGS

10.1 MEDICAL STAFF YEAR

For the purposes of business of the Medical Staff, the business year will begin July 1.

10.2 MEDICAL STAFF MEETINGS

10.2.1 ANNUAL MEETINGS

There will be no less than one meeting of the Medical Staff yearly. The Medical Executive Committee and/or President of the Medical Staff may authorize the holding of additional regular Medical Staff meetings by resolution. The resolution authorizing such additional meetings shall require notice specifying the date, time, and place for the meeting, and that the meeting can transact any business as may come before it.
10.2.2 SPECIAL MEETINGS

A special meeting of the Medical Staff may be called by the Medical Executive Committee and/or the President of the Medical Staff, and/or petition from 15 or more active or executive members of the Medical Staff, and will concern itself solely with its stated purpose. Requests for special meetings by members of the Medical Staff shall be directed to the President of the Medical Staff. The special meeting shall occur within 60 days of the request.

10.2.3 VOTING

Only Appointees to the active or executive category shall be eligible to vote at meetings of the Medical Staff, except as provided in Sections 11.2 and 11.3 of these Bylaws.

For business occurring between annual meetings, an email ballot may be utilized, providing that sufficient details for the vote are received no less than 21 days before the vote is tallied. If more than three (3) active or executive medical staff members request an open forum for discussion prior to the vote, a special meeting will be scheduled; and the email vote will be suspended.

10.3 DEPARTMENT AND COMMITTEE MEETINGS

10.3.1 REGULAR MEETINGS

Departments and committees shall, by resolution provide the time for holding regular meetings and no notice other than such resolution is required. Departments shall meet as often as necessary to conduct their business, but not less than quarterly; provided, however, that designated committees or representatives of each Department shall meet at least monthly to conduct the quality review, evaluation, and monitoring activities described in Section 7.3 of these Bylaws. The frequency of committee meetings is as specified in Article VIII of these Bylaws.

10.3.2 SPECIAL MEETINGS

A special meeting of any Department or committee may be called by the Chair thereof, and will concern itself solely with its stated purpose.

10.3.3 EXECUTIVE SESSION

All Departments and committees of the Hospital may sit in executive session. During this time, all non-members may be excused.

10.4 ATTENDANCE REQUIREMENTS

10.4.1 STAFF MEETINGS

While there are no mandatory attendance requirements, it is recommended that members of the Medical Staff attend as many Medical Staff meetings as possible.

10.4.2 DEPARTMENT MEETINGS

While there are no mandatory attendance requirements, it is recommended that members of the Medical Staff attend as many Department meetings as possible.

10.4.3 COMMITTEE MEETINGS

Each member of the Medical Executive Committee and Credentials Committee must attend at least seventy-five percent (75%) of the meetings of that committee each year. Regular attendance at these meetings is expected, and absences should only be for good cause.
10.4.4 SPECIAL APPEARANCES OR CONFERENCES

(a) Whenever a Medical Staff or Department educational program is prompted by a performance, that Medical Staff or Allied Health Professionals will be notified of the date, time, and place of the program; of the subject matter to be covered; and of its special applicability to the Medical Staff or Allied Health Professional’s practice. Medical Staff or Allied Health Professionals shall be required to attend the educational program, unless excused in advance by the Vice President of Medical Affairs by reason of illness or medical or personal emergency.

(b) Whenever a pattern of suspected deviation from standard clinical practice is identified, the President of the Medical Staff or the applicable Department Chair may require the Medical Staff or Allied Health Professional to confer with them or with a Standing, Special, or Ad Hoc Committee that is considering the matter. The Medical Staff or Allied Health Professional shall be given special notice of this conference at least five (5) days before the conference, including the date, time, and place of the conference and a statement of the issue involved. The Medical Staff or Allied Health Professionals shall be required to attend the conference, unless excused in advance by the Vice President of Medical Affairs by reason of illness or medical or personal emergency.

10.4.5 EXCUSED ABSENCES

Failure to satisfy the attendance requirements may be excused by reason of illness, absence from the city, or medical or personal emergency. A Medical Staff or Allied Health Professional seeking to be excused from attendance shall notify the Vice President of Medical Affairs of the reason for the absence before the meeting or within twenty-four (24) hours thereafter.

10.5 MEETING PROCEDURES

10.5.1 ORDER OF BUSINESS AND AGENDA AT ANNUAL STAFF MEETINGS

The order of business at the annual meeting shall be determined by the President of the Medical Staff.

10.5.2 NOTICE OF MEETINGS

Notice stating the date, time, and place of any meeting of the Medical Staff, or of any regular Department or committee meeting not scheduled pursuant to resolution, shall be mailed to each person entitled to be present not less than ten (10) days before the date of such meeting. Alternatively, notice of Department or committee meetings may be given orally not less than five (5) days before the date of the meeting. Personal attendance at a meeting shall constitute a waiver of notice of such meeting.

10.5.3 MINUTES

Minutes of all meetings shall be prepared by the secretary of the meeting and shall include the vote taken on each matter. Copies of such minutes shall be signed by the presiding officer and approved by the attendees. Minutes of each Department and Medical Staff committee meeting shall be made available to the Appointees of the appropriate Department and committee and shall be provided to the Medical Executive Committee. Minutes of Medical Staff and Medical Executive Committee meetings shall be made available to all Appointees of the Medical Staff and Allied Health Professionals. A permanent file of the minutes of each meeting shall be maintained by the Office of the Vice President of Medical Affairs.

10.5.4 QUORUM

(a) At a meeting of any Department, or any Medical Staff committee, the presence of twenty-five percent (25%) of the total voting membership, but not less than two (2) Appointees shall constitute a quorum.
(b) At a meeting of the Medical Staff, the presence of fifty (50) Appointees with voting rights shall constitute a quorum. In the event that a quorum is not present at any meeting of the Medical Staff, the Medical Executive Committee may, in the discretion of the President of the Medical Staff, act upon any necessary Medical Staff business at its next meeting.

10.5.5 MANNER OF ACTION

Except as otherwise provided in these Bylaws, the action of a majority of those present and voting at meeting at which a quorum is present shall be the action of the group. Action may be taken without a meeting by a Department or committee by a document setting forth the action so taken signed by each Appointee entitled to vote.

10.5.6 RULES OF ORDER

All meetings will be transacted according to the rules of order as specified in Sturgis’s Standard Code of Parliamentary Procedure.

ARTICLE XI. GENERAL PROVISIONS

11.1. MEDICAL STAFF RULES AND REGULATIONS AND MANUALS

Subject to approval by the Board of Directors, the Medical Staff shall adopt such Rules and Regulations, Code of Conduct, and accompanying manuals as may be necessary to implement more specifically the general principles found in these Bylaws. The procedures outlined in Article XII of these Bylaws shall be followed in the adoption and amendment of the Rules and Regulations and accompanying manuals.

11.2 MEDICAL STAFF DUES

Subject to the approval of the Medical Staff at the annual meeting, the Medical Executive Committee will establish the amount and manner of disposition of the annual dues. (Voting members in any election concerning dues will include all Practitioners who will be required to pay dues.) Dues are payable at the beginning of each new Medical Staff year. Failure, unless excused by the Medical Executive Committee for good cause, to render payment within two (2) months of the start of the Medical Staff year shall, after special notice of the delinquency, result in automatic suspension pursuant to Corrective Action Procedures and Fair Hearing Plan. If a Medical Staff or Allied Health Professional’s Medical Staff dues remain unpaid by December 31, then the Medical Staff or Allied Health Professional’s appointment, clinical privileges, and rights to perform patient care services in the Hospital shall be revoked.

11.3 SPECIAL ASSESSMENTS

If funds of the Medical Staff are insufficient for any expenditure authorized by the Medical Executive Committee, additional funds may be obtained through a special assessment of the Medical Staff. Before any such assessment, there must be a special meeting of the Medical Staff, called by the President of the Medical Staff for that purpose. At this meeting, there must be a quorum present and a two-thirds affirmative vote of those present and voting is necessary for approval of the assessment. (Voting members in any election concerning assessments will include all Practitioners who may be affected by the proposed assessment.)

11.4 CONSTRUCTION OF TERMS AND HEADINGS

Words used in these Bylaws shall be read as the masculine or feminine gender and as the singular or plural, as the context requires. The captions or headings in these Bylaws are for convenience only and are not intended to limit or define the scope or effect of any of the provisions of these Bylaws.
ARTICLE XII. ADOPTION AND AMENDMENT

12.1 MEDICAL STAFF RESPONSIBILITY

The Medical Staff shall have the responsibility to formulate, adopt, and recommend to the Board, Medical Staff Bylaws and amendments thereto, which shall be effective when approved by the Board. Such responsibility shall be exercised in good faith and in a reasonable, responsible, and timely manner. This applies as well to the adoption and amendment of Medical Staff Rules and Regulations and accompanying manuals developed to implement various sections of these Bylaws.

If voting members of the organized Medical Staff propose to adopt a rule, regulation, or policy or an amendment thereto, they first must communicate the proposal to the Medical Executive Committee.

If the Medical Executive Committee proposes to adopt a rule or regulation or an amendment thereto, it first communicates the proposal to the Medical Staff. When it adopts a policy or amendment thereto, the Medical Executive Committee communicates this to the Medical Staff.

12.2 METHOD OF ADOPTION AND AMENDMENT

12.2.1 MEDICAL STAFF BYLAWS

Proposals for changes to the Medical Staff Bylaws can be initiated through any of the following mechanisms:

(a) A motion made by the Medical Executive Committee;

(b) A motion made by the Bylaws Committee, or

(c) Any medical staff member can propose a change to the Bylaws Committee as defined in Bylaws 8.4.2(c).

All proposed changes must be submitted to the Bylaws Committee in accordance with Bylaws 8.4. The Bylaws Committee will review suggested changes and propose revised language to the Medical Executive Committee for review and comment. Following this review, the Bylaws of the Medical Staff may be adopted, amended, or repealed by the following action:

(a) At least 21 days before an annual or special meeting for the medical Staff, the Bylaws Committee will make available a copy of the proposed bylaws or amendments thereto, to each member of the Medical Staff.

(b) Following the affirmative vote of two-thirds of the Appointees of the active or executive category present and voting at a duly convened annual or special meeting of the Medical Staff, or via electronic ballot, the bylaws or amendments will be submitted to the Board for consideration and will become final upon their adoption by the Board.

12.2.2 MEDICAL STAFF RULES AND REGULATIONS AND MANUALS

The Medical Staff Rules and Regulations, Code of Conduct, the Credentials Policy and Procedure Manual, and the Corrective Action Procedures and Fair Hearing Plan, and other accompanying manuals and policies may be adopted, amended, or repealed by the following action:

(a) the affirmative vote of a majority of the members of the Medical Executive Committee present and voting at a regular or special meeting of the Medical Executive Committee, at which a quorum is present, provided that a copy of the proposed Rules and Regulations, and accompanying manuals, or amendments thereto, was given or made available to each member of the Medical Executive Committee at least twenty-one (21) consecutive calendar days before the meeting; and,
(b) approved by the Board.

In cases of a documented need for an urgent amendment to the Rules and Regulations, it may be necessary to comply with law or regulation, the Medical Staff has the opportunity for retrospective review of and comment on the amendment. If there is no conflict between the organized Medical Staff and the Medical Executive Committee, the provisional amendment stands. If there is conflict, the process for conflict resolution is implemented. If necessary, a revised amendment is then submitted to the governing body for action.

12.3 EFFECTIVE DATE

These Bylaws, Rules and Regulations, and accompanying manuals shall become effective on May 29, 2013.
